

Information on your application for our student residence

Dear applicant!

Our student residence consists of 103 single rooms and 2 double rooms (which can also be occupied by only one person). The rooms extend over 6 floors with one large shared kitchen on each floor.

The room size varies from 10 to 18 square meters (for double rooms). The rent is between 360 and 600 € (for double rooms) including all charges. The proportion of international students should amount to 30%. The duration of residence is limited to four semesters, but it can be extended to up to 10 semesters through active participation and commitment.

The student residence of ESG Köln (Protestant Student Community of Cologne) is a student residence for students at universities and higher education institutions based in Cologne. It is characterized by its international spirit and cultural diversity. Our student residence depends on the commitment and the interest of its residents. Students live together in a close neighborhood, which requires mutual respect, understanding and tolerance, but it also presents the opportunity for a positive and vibrant shared living situation. The residents are expected to take responsibility and to fulfill their duties.

For example, such duties include active participation in working and project groups or in the planning and implementation of events that enrich the communal life within ESG community and ESG residence. Residents are also obligated to attend the general meeting of all residents (the Residents' Convention) which is held once a semester. To get a room in our student residence, it is not enough to only wish for a centrally located housing.

The student residence is in the same building as the rooms of the Protestant Student Community (ESG). A living community is created through active cooperation between ESG Köln staff and residents. Everyone is invited to contribute to this community.

Our Application Committee, which consists of elected students' representatives and our team of pastors, decides whether you will be accepted or not. Rooted in our Christian understanding, we are open to all applicants regardless of their religious, political or sexual orientation.

The application deadline is December 15th for the summer semester and June 15th for the winter semester of the respective year. The move-in-dates are April 1st and October 1st.

Should you have any questions please contact our office employee Ulli Müller (+49 221 94 05 22-20) or our head of service, pastor Christiane Neufang (+49 221 94 05 22-13).

We are looking forward to your convincing application!

Your ESG team

Application form for the ESG student residence

Surname _____ First name _____

Nationality _____ male female other

Phone (Cell phone) _____ E-mail _____

Where (institution) and what (subject) do you study? _____
